

## THE 2010 TORO® **TIMECUTTER® Z**

The TimeCutter® Z is incredibly nimble and powerful, allowing you to cut your mowing time in half\* – while delivering an exceptional quality of cut you would expect from a Toro. It's also easy to use and fun to drive, making short work of larger lawns.

### FEATURES:

- ▶ Powerful KOHLER® & Kawasaki Engines
- ▶ 4" Deep Cutting Deck – 42" or 50" Wide
- ▶ 3-in-1 Cutting System
- ▶ 18" Extra Tall Seat\*\*
- ▶ Automatic Braking System

### WARRANTY

Sturdy performance season after season – backed by one of the best warranties in the business. Ask your dealer about our 3-Year Limited Warranty.

**TORO**®

**Count on it.**

\*Mowing time performance claim based on comparisons between a TimeCutter ZX and a comparably equipped Toro garden tractor. \*\*Standard on Z4235, Z5035 and Z5060.

**FEATURES**

**4" DEEP DECK**  
Our 4" deck depth creates greater vacuum to lift and suspend clippings until they are re-cut into finer particles. The deeper deck also makes bagging and side discharging more effective.

**3-IN-1 CUTTING SYSTEM**  
Bag it, side-discharge it, mulch it – the Toro 3-in-1 cutting system performs in any cutting condition or mode. The top discharge deck with high-lift blades blows away expensive vac-assist baggers.

**EXTRA TALL SEAT**  
18" extra tall seat with optional armrests help prevent operator discomfort and fatigue.  
*(Standard on Z4235, Z5035 and Z5060.)*

**POWERFUL KOHLER® & KAWASAKI ENGINES**  
Powerful KOHLER and Kawasaki engines provide peak power, smooth operation and reliable performance to help reduce your mowing time.

**LARGE 18" TIRES**  
Large rear wheels provide a smoother ride and better traction on uneven terrain.

**AUTOMATIC BRAKING SYSTEM**  
Integrated automatic braking system is activated once the control levers are moved outward – making the TimeCutter® Z simple and safe to operate.

**ATTACHMENTS & ACCESSORIES**

Ask your dealer about these add-ons for your TimeCutter® Z such as adjustable armrests, engine covers, Recycler® kits and large capacity bagging systems.

**LARGE CAPACITY TWIN-BAGGER**  
8 cubic ft. twin-bagger easily attaches to 42" or 50" models.

**RECYCLER® MULCH KITS**  
Optional Recycler Mulch system cuts and re-cuts grass into fine particles.

**FOOT ASSIST HEIGHT OF CUT SYSTEM**  
Easily raise the mowing deck while in-use or assist in setting the height of cut.  
*(Standard on Z5060)*

**REAR ENGINE GUARD**  
Protects engine from brush and debris.  
*(Standard on Z5060)*

**TOW-BEHIND DUMP CART**  
Increase the functionality of your Z.

**ADJUSTABLE ARMRESTS**  
Provides relief from fatigue while mowing for extended periods.  
*(Standard on Z5035 & Z5060)*

**RUBBER FLOOR MAT**  
Reduces vibration and dampens deck noise during mowing.

\*The gross horsepower of this engine was laboratory rated by the engine manufacturer in accordance with SAE J1940. As configured to meet safety, emission, and operating requirements, the actual engine horsepower on this class of mower will be significantly lower.
